Discussion on clinical cases:

Pre-meeting : Friday 4th May 2007

Clinical Case Symposium on Hepato-Pancreato-Biliary Diseases

Friday : 9.30 am – 5 pm

Venue: Fundação Calouste Gulbenkian

This will be presentations of clinical cases which raise difficulties in diagnosis and/or treatment. The cases will be discussed by the audience interactively.

Please register, the area of your presentation without revealing the precise subject (for example, “A difficult tumour of the liver” or “A complicated case of liver transplantation”).

Each presentation will last 10 minutes and should be accompanied by a Power Point presentation. The duration of the discussion will depend on the moderators’ wishes.

Announcement :

The HPB – Specialist Nurse Meeting

Saturday 5th May 2007

Saturday : 9.30 am – 5.30 pm

Venue: Fundação Calouste Gulbenkian

With the development of HPB surgery, there is a need for specialist HPB nurses.

For all information, please contact Isabelle Rich Clotilde at the Henri Bismuth Hepatobiliary Institute, isabelle.rich@pbr.aphp.fr (+33 (0)1 45 59 38 35).
